

HOT DOG ROLLER INSTRUCTIONS

Small Hot Dog Roller

Medium Hot Dog Roller

Large Hot Dog Roller

Operation:

1. Each knob controls 5 rollers.
2. Place hot dogs on rollers to heat them.
3. If you are heating directly from the refrigerator, turn heat setting to medium and allow the hot dogs to heat for 20-30 minutes.
4. If you are heating re-heated leftover hot dogs, turn the heat setting to medium and allow the hot dogs to heat for at least 30 minutes.
5. **CAUTION** UNITS WILL BE HOT. HANDLE WITH CARE.**

Cleaning:

1. Turn off and unplug the roller.
2. Remove any remaining hot dogs from rollers.
3. Wipe any remaining grease from rollers and drip tray.

***Customer is responsible to return the units clean!
Extra charges may apply!***
