

Manual Sno Cone Machine

### Operation

1. Add ice to hopper within an inch of the top
2. Turn the crank handle to shave the ice
3. Place the unit in a shaded area if outside in sun

### Cleaning

1. Empty all remain ice from the unit
2. Wipe away any Sno Cone Juice splashes
3. Return both Sno Cone scoops, hose and pumps

Crown Rental is responsible for the main washing of the machines. You are not required to do any washing.
